

MICHAEL CAMPBELL

FRONT END WEB DEVELOPER

ABOUT ME

I am dedicated to maintaining skills that allow me to create functional, responsive and unique applications. With a strong background in sales, I take initiative to deliver the desired results for both my team and clients while using my well developed problem solving skills to embrace new challenges.

WORK EXPERIENCE

MEN'S CONTEMPORARY STYLIST, SALES

Saks Fifth Avenue

October 2019 - May 2020

- Engaging with clients, suggesting merchandise specific to their needs while gaining interest not just in my department but across all departments
- Team selling to increase department performance
- Clienteling and maintaining client relationships to increase traffic

SUPERVISOR, TEAM LEAD

Pandora, Toronto Eaton Centre

May 2017 - October 2019

- Fast paced management segments on the sales floor, tracking goals, KPI's and team sales to improve efficiency
- Coaching team members on how to achieve success with their customer experiences, celebrating wins and creating strategies for challenges together to execute throughout their following engagements
- Completing sales goals both within my management segments and personal selling hours

SUPERVISOR, TEAM LEAD

Pandora, Pen Centre

March 2016 - May 2017

- Assisted in the early stages of opening the store location, hiring, training new sales team members and merchandising according to company standards
- Tracking employee goals and accomplishments both daily and monthly, providing feedback to increase personal and store performance
- Completing sales goals daily and clienteling to increase store traffic during off peak seasons or hours
